

## **L3 FOLDING STEEL LADDER**

The strongest and most durable ladder currently available is ideally suited for regular daily use. The L3 is available in a white polyester powder coat finish for domestic use or a galvanised finish for commercial use. The L3 includes a fully sprung balanced ladder and trapdoor with a pressed steel ceiling hole lining featuring an integral architrave. The L3 ladder when stored sits on the trapdoor and requires no storage space in the loft.

### **Standard Features.**

- **Handrails to both sides of ladder.**
- **Handrails on ceiling hole lining.**
- **Treads are 90mm deep x 410mm wide.**
- **MDF trapdoor.**
- **Choice of opening sizes.**
