

Pan Concertina Ladder

Pressed steel concertina type ladder complete with integral ceiling hole lining and sprung balanced trapdoor. The PAN ladder is ideally suited for both domestic and commercial use. This ladder is also perfect for smaller openings where space is restricted.

Standard Features.

- Handrails to both sides of ladder.
- Handrails on ceiling hole lining.
- Requires no storage space in loft.
- Treads are 90mm deep x 410mm wide.
- MDF trapdoor.
- Choice of opening sizes.

Opening size	Ceiling height (max)	Price
700/800/900/1000mm x 500/700mm	3000mm	£335.00
800/900/1000mm x 500/700mm	3250mm	£386.00
1000mm x 700mm	3500mm	£409.00

Ladders to suit ceiling heights greater than 3500mm are available on request.

PRICES INCLUDE VAT AND DELIVERY (MAINLAND UK ONLY)
